AUGUST 27, 2008

SANTA CLARA, Calif. — BridgeWave Communications, the leading supplier of gigabit wireless solutions, today announced the appointment of Paul Obsitnik as senior vice president of business development. Mr. Obsitnik will be responsible for driving business initiatives to support the company's goal of addressing backhaul data transport challenges that face 4G WiMAX and advanced mobile deployments, such as 3G & Long Term Evolution (LTE) networks.

Mr. Obsitnik brings more than 20 years of leadership experience in developing and growing new markets in the wireless and telecommunications industry. Most recently, Mr. Obsitnik served as vice president, marketing & business development at Venturi Wireless. While at Venturi, Mr. Obsitnik was responsible for strategic partnerships and marketing of the company's core wireless optimization technology. Prior to Venturi, Mr. Obsitnik served in senior marketing and business development positions at TeleCommunication Systems, ONI Systems and NorthPoint Communications. Mr. Obsitnik holds a BSEE degree from the United States Naval Academy and an MBA degree from the Harvard Graduate School of Business.
